the dates of inspection specifying the issues so that the officials can keep the file ready on that specific date. After his inspection, any information will be furnished to him as per his request. But instead of coming to office as requested, he has preferred an appeal as if he has not, aware or received, the said letter dt. 13-10-2009 and its contents.

Further it is submitted that this office has received the application of the individual on 23-09-2009. The PIO has time limit i.e. 30 days from the receipt of the application, i.e. up to 23-10-2009 to dispose his application. Hence the appeal filed u/s 19(3) of the RTI Act seems to be devoid of merits and the same may be closed as it is not our intention to deny the information sought for and the

**AFFIDAVIT FILED ON BEHALF OF THE SECOND RESPONDENT**

I, S. Bhalerao, S/o S.S. Bhalerao aged about 59 years, R/o Hyderabad working as Special Chief Secretary to Government and Appellate Authority, Animal Husbandry, Dairy Development & Fisheries Department, Secretariat Buildings, Hyderabad to hereby sincerely and solemnly affirm and state as follows:

1. I am working as Special Chief Secretary to Government and Appellate Authority, Animal Husbandry, Dairy Development & Fisheries Department, Secretariat Buildings, Hyderabad and as such I am well acquainted with the facts of the case and filing this affidavit.

2. Sri. T. Gangadhar has requested to furnish information on several issues vide application dated 05-08-2009, which was received by this dept. on 23-09-2009. The following information is sought for by the applicant :-

- i. Action taken reports on the representation dated: 01-10-2005 of the individual.
- ii. Information relating to appointment of class IV employees appointed on promotion as typists, Jr. Assts in violation of the orders vide. G.O. Ms No. 779/GA(Ser.B)Dept., Dt.19-12-1980 read with G.O. Ms No. 503/GA(Ser.B) Dept., Dt. 19-10-1987 and the actions taken on such employees and officers who promoted them.
- iii. The enquiries ordered as per Rule 18 of APCS (CCA) Rules 1991, which need to be disposed of / concluded with in 5 to 6 months as complicated cases, simple cases with in 3 months against which category of employees, names and designations and Enquiry officers appointed and the action taken against such departmental officers who have not completed the enquiry as per the above stipulated time.
- iv. List of vehicles, which have not been condemned on completion 15 years and 2,50,000 kms as per the G.Os referred to therein and the actions taken against the unit officers for violation of said G.Os.
- v. Total number of employees in the authority and their Annual property statements from 2003.
- vi. List of dates of Periodical Inspection done in the department and objection raised in the notes and answers of the staff since 01-01-2007.
- vii. No. of Audit objections made by state Audit and Principal Accountant General pending; with whom they are pending; the action taken for their disposal on them, how many objections not disposed of with in time frame, names and designations and address of such officers / authorities.

a. The records available in the Department have been verified and found as follows:-

Item 1 - Representation dated 1-10-2005 is not available in this Department.

Item 2 - Information sought for relates to Head of the Departments, viz., the Director of Animal Husbandry, Commissioner of Fisheries, as they are the appointing

authorities for promotion of class IV employees as Junior assistants, typists, etc. Therefore at the Secretariat level this Department does not maintain any records in this regard. Hence no information is available to be furnished.

Item 3- There are different levels and categories of employees and appointing authorities in respect of these categories of employees. Enquiries are ordered at HOD level and even at the district level. At the Secretariat level this Department is only concerned with disciplinary matters for which Government is the appointing authority. The Department at Secretariat level does not maintain information in respect of all the categories of employees. Further the applicant is not seeking any specific information in respect of any person or any specific matter. Does he expect information since the inception of the Department ? Old files, which are not required to be maintained as per the SOM, will not be available. Therefore the applicant should request information on a specific person or issue or specific enquiry and if information is available it will be furnished.

Item - 4            The Department has a number of vehicles at the District, Head of the Departments and Secretariat levels. As per Government Orders if any vehicle is due for condemnation, due procedures are followed. At the Government level the entire list of vehicles of the entire Department is not maintained. Only when HODs send proposals for condemnation that such proposals are examined at Government as per rules.

Item 5 - The Animal Husbandry Department has a total strength of about 16,483 employees relating to Animal Husbandry, Fisheries, Dairy Development, Federations, Corporations etc.. The property statements are maintained by the respective HODs for the category of employees who are expected to file annual property statements. The applicant should move the HODs for obtaining information by paying the necessary fees as the information is voluminous, relating to a very large number of staff and considerable administrative effort and cost is involved in furnishing the property statements of all employees.

Item 6 -    Inspections are done by the HODs of the in subordinate offices. The department in the Secretariat does not maintain any information in this regard.

Item 7 -    Regarding audit objections by the C&AG, this information is already available in the C&AG reports and can be obtained from the C&AG. The Department furnishes its notes, ATRs etc. on all these audit observations. The applicant has not mentioned for which period / which year and for which subject he wants this information. It is a voluminous task to give this information right from the formation of the State and from

the time audit is being done by the C&AG for all these years.

4. In this connection, it is submitted that, in Govt. Lr. No. 5298/DY.I(2)/2009, Dt. 13-10-2009, Sri. T. Gangadhar had been requested to come to the office with prior notice and inspect the concerned files in the AH,DD&F Dept duly indicating the dates of inspection and duly specifying the specific issues on which information is sought, so that the officials can keep the file ready. Any information available will be furnished to him as per his request and as per the provisions of the RTI Act. But instead of coming to the office as requested, he has preferred an appeal, as if the Department is not prepared to give information to him.

5. Further, it is submitted that this office has received the application of the individual on 23-09-2009. The PIO has a time limit i.e. 30 days from the receipt of the application, i.e. up to 23-10-2009 to dispose his application. The applicant was informed 10 days prior to the said statutory time limit to come and inspect the files for the information sought by him vide letter dated: 13-10-2009. with a view to comply with his request before / with in the said time limit.

6. Further, with reference to his appeal, Sri. T. Gangadhar was again requested vide Govt. Lr. No 5298/DY.I(2)/2009, Dt. 29-10-2009 to come to office and inspect the concerned files in the AH,DD&F Dept. duly indicating the dates of inspection, specifying the issues so that the officials can keep the file ready on that specific date.

7. But the applicant has neither specified the records on which he seek information nor has come to see records as per the offer made. Further the request of the applicant for voluminous information involves effort, time and cost. The purpose of the RTI Act is to enable citizen to get specific information or specific issues/subjects and this is borne out by the fact that a very nominal fee is charged for this. The spirit of the RTI Act does not envisage that people will ask for voluminous information that will involve disproportionate time, costs and effort. If the applicant wants voluminous data and information that stretches back to a few decades, then he must pay the necessary fees for the purpose as it involves searching for records, making copies and there is a cost in terms of time and effort by officials to search and locate the information.

8. It is humbly submitted that the applicant is misusing the spirit of the RTI Act. Further by filing the appeal, the applicant is trying to avoid paying the fees for the voluminous information he is seeking. There appears to be a mala fide intention of the applicant to take shelter u/s 7(6) of the said Act. Hence, the appeal filed u/s 19(3) of the RTI Act is devoid of merits and the same may be closed.

9. It is not the intention of the Department to deny the information sought for and the offer made by the Department in good faith to the applicant to inspect the records is only to facilitate the authority to search and locate and provide the specific information with out any delay . If the applicant indicates specifically what information he requires in respect of any specific matter the Department will be able to provide same without any delay as per rules. If such information is available.

10. Hence the appeal is devoid of merit and the same may be closed.

**AFFIDAVIT FILED ON BEHALF OF THE SECOND RESPONDENT**

I, S. Bhalerao, S/o S.S. Bhalerao aged about 59 years, R/o Hyderabad working as Special Chief Secretary to Government and Appellate Authority, Animal Husbandry, Dairy Development & Fisheries Department, Secretariat Buildings, Hyderabad to hereby sincerely and solemnly affirm and state as follows:

1. I am working as Special Chief Secretary to Government and Appellate Authority, Animal Husbandry, Dairy Development & Fisheries Department, Secretariat Buildings, Hyderabad and as such I am well acquainted with the facts of the case and filing this affidavit.

2. Sri. T. Gangadhar has requested to furnish information on several issues vide application dated 05-08-2009, which was received by this dept. on 23-09-2009. The following information is sought for by the applicant :-

- viii. Action taken reports on the representation dated: 01-10-2005 of the individual.
- ix. Information relating to appointment of class IV employees appointed on promotion as typists, Jr. Assts in violation of the orders vide. G.O. Ms No. 779/GA(Ser.B)Dept., Dt.19-12-1980 read with G.O. Ms No. 503/GA(Ser.B) Dept., Dt. 19-10-1987 and the actions taken on such employees and officers who promoted them.
- x. The enquiries ordered as per Rule 18 of APCS (CCA) Rules 1991, which need to be disposed of / concluded with in 5 to 6 months as complicated cases, simple cases with in 3 months against which category of employees, names and designations and Enquiry officers appointed and the action taken against such departmental officers who have not completed the enquiry as per the above stipulated time.
- xi. List of vehicles, which have not been condemned on completion 15 years and 2,50,000 kms as per the G.Os referred to therein and the actions taken against the unit officers for violation of said G.Os.
- xii. Total number of employees in the authority and their Annual property statements from 2003.
- xiii. List of dates of Periodical Inspection done in the department and objection raised in the notes and answers of the staff since 01-01-2007.
- xiv. No. of Audit objections made by state Audit and Principal Accountant General pending; with whom they are pending; the action taken for their disposal on them, how many objections not disposed of with in time frame, names and designations and address of such officers / authorities.

a. The records available in the Department have been verified and found as follows:-

Item 1 - Representation dated 1-10-2005 is not available in this Department.

Item 2 - Information sought for relates to Head of the Departments, viz., the Director of Animal Husbandry, Commissioner of Fisheries, as they are the appointing authorities for promotion of class IV employees as Junior assistants, typists, etc. Therefore at the Secretariat level this Department does not maintain any records in this regard. Hence no information is available to be furnished.

Item 3- There are different levels and categories of employees and appointing authorities in respect of these categories of employees. Enquiries are ordered at HOD level and even at the district level. At the Secretariat level this Department is only concerned with disciplinary matters for which Government is the appointing authority. The Department at Secretariat level does not maintain information in respect of all the categories of employees. Further the applicant is not seeking any specific information in respect of any person or any specific matter. Does he expect information since the inception of the Department ? Old files, which are not required to be maintained as per the SOM, will not be available. Therefore the applicant should request information on a specific person or issue or specific enquiry and if information is available it will be furnished.

Item - 4 The Department has a number of vehicles at the District, Head of the Departments and Secretariat levels. As per Government Orders if any vehicle is due for condemnation, due procedures are followed. At the Government level the entire list of vehicles of the entire Department is not maintained. Only when HODs send proposals for condemnation that such proposals are examined at Government as per rules.

Item 5 - The Animal Husbandry Department has a total strength of about 16,483 employees relating to Animal Husbandry, Fisheries, Dairy Development, Federations, Corporations etc.. The property statements are maintained by the respective HODs for the category of employees who are expected to file annual property statements. The applicant should move the HODs for obtaining information by paying the necessary fees as the information is voluminous, relating to a very large number of staff and considerable administrative effort and cost is involved in furnishing the property statements of all employees.

Item 6 - Inspections are done by the HODs of the in subordinate offices. The department in the Secretariat does not maintain any information in this regard.

Item 7 - Regarding audit objections by the C&AG, this information is already available in the C&AG reports and can be obtained from the C&AG. The Department furnishes its notes, ATRs etc. on all these audit observations. The applicant has not mentioned for which period / which year and for which subject he wants this information. It is a voluminous task to give this information right from the formation of the State and from the time audit is being done by the C&AG for all these years.

4. In this connection, it is submitted that, in Govt. Lr. No. 5298/DY.I(2)/2009, Dt. 13-10-2009, Sri. T. Gangadhar had been requested to come to the office with prior notice and inspect the concerned files in the AH,DD&F Dept duly indicating the dates of inspection and duly specifying the specific issues on which information is sought, so that the officials can keep the file ready. Any information available will be furnished to him as per his request and as per the provisions of the RTI Act. But instead of coming to the office as requested, he has preferred an appeal, as if the Department is not prepared to give information to him.

5. Further, it is submitted that this office has received the application of the individual on 23-09-2009. The PIO has a time limit i.e. 30 days from the receipt of the application, i.e. up to 23-10-2009 to dispose his application. The applicant was informed 10 days prior to the said statutory time limit to come and inspect the files for the information sought by him vide letter dated: 13-10-2009. with a view to comply with his request before / with in the said time limit.

6. Further, with reference to his appeal, Sri. T. Gangadhar was again requested vide Govt. Lr. No 5298/DY.I(2)/2009, Dt. 29-10-2009 to come to office and inspect the concerned files in the AH,DD&F Dept. duly indicating the dates of inspection, specifying the issues so that the officials can keep the file ready on that specific date.

8. But the applicant has neither specified the records on which he seek information nor has come to see records as per the offer made. Further the request of the applicant for voluminous information involves effort, time and cost. The purpose of the RTI Act is to enable citizen to get specific information or specific issues/subjects and this is borne out by the fact that a very nominal fee is charged for this. The spirit of the RTI Act does not envisage that people will ask for voluminous information that will involve disproportionate time, costs and effort. If the applicant wants voluminous data and information that stretches back to a few decades, then he must pay the necessary fees for the purpose as it involves searching for records, making copies and there is a cost in terms of time and effort by officials to search and locate the information.

8. It is humbly submitted that the applicant is misusing the spirit of the RTI Act. Further by filing the appeal, the applicant is trying to avoid paying the fees for the voluminous information he is seeking. There appears to be a mala fide intention of the applicant to take shelter u/s 7(6) of the said Act. Hence, the appeal filed u/s 19(3) of the RTI Act is devoid of merits and the same may be closed.

9. It is not the intention of the Department to deny the information sought for and the offer made by the Department in good faith to the applicant to inspect the records is only to facilitate the authority to search and locate and provide the specific information with out any delay . If the applicant indicates specifically what information he requires in respect of any specific matter the Department will be able to provide same without any delay as per rules. If such information is available.

10. Hence the appeal is devoid of merit and the same may be closed.
